- The whole campus had worked hard for the NAAC inspection, and we had achieved a milestone..!
- The celebrations had to be befitting!!
- There were many tasks. Administration was given the task of -
  - inaugural arrangement,
  - venue setup, and
  - lottery distribution / prize arrangements.
- Hence, team ‘Administration & Maintenance’ was all set to make the event a success....!

## INAUGURAL ARRANGEMENTS

For the inaugural we decided that a flag hoisting would be good. A flag that stated NAAC A +

It was felt that the space behind the flag hoisting needs to convey the very idea of the celebrations that was organised... a feeling of what we had achieved.

Hence, we designed a banner which conveyed ... "WE HAVE DONE IT"

Red Carpets were laid for the path of the guests. The venues was painted and made beautiful..!
